

Bless Your Anointing Oil

Use this prayer, as led by the Holy Spirit to
bless your anointing oil.

In the name of Jesus Christ, I mingle this oil with
the Blood of Jesus. In the name of Jesus, I
decree this oil is holy. I decree in the name of
Jesus that wherever this oil is applied will be
holy ground. In the name of Jesus, I decree that
when this oil is applied healing will take place,
demons will flee, and the protection of God will
be released. In Jesus's name, I decree this oil is a
spiritual tool used to sanctify, bless, protect, heal,
and beckon the power, presence and Spirit of
God to be active and at work on our behalf, in
the name of Jesus. In Jesus's name, I bless this
oil. Amen.
