Because of the sin state of humanity, and the universe at large, every single individual born on planet earth since the fall of mankind has a need for deliverance. With just one exception of course, the exception being our Lord and Savior Jesus. From Genesis to Revelation the Lord has made Himself known as a Deliverer. Your sins, shortcomings, areas of weakness, and traumas, do not shock or overwhelm God. Jesus loves you and died for your sins. It is the Lord's desire to save you from your sins (1 John 3:8). The sins you commit and the demonic oppression you feel are not surprising to the Lord. He knows all about them. What God is waiting for you to do is surrender yourself and your will to Him, obey Him (2 Corin. 10:6), and trust Him. If you are willing to humbly submit and take the necessary steps to transformation, Father will dig deep down and root out every thing that causes bad fruit to continue to grow in your life. My dear sibling in Christ, submit to God and trust the process. God has better things for you than what's been. Say this prayer below:

“Father in the name of Jesus, I have issues that I know about, and I have issues that I don't know about but, Father, You know all. I do know I struggle with

and that I am in need of your help to overcome these things. I desire a closer walk, and deeper fellowship, with you. Please begin to destroy everything that hinders me from being the person you created me to be and that stops me from bearing the fruit you've created me to bear. I need healing, I need freedom, and I need deliverance. Strengthen me for the battle ahead, provide me with the endurance I need, and give me the wisdom necessary to win these battles. Father, strengthen me to fast, quicken me to pray, and teach me to apply your Word to my life and situations every single day. I have come to the end of myself, Jesus I need you. I ask that you help me and give me the deliverance I need without delay. It is in Jesus's name that I pray. Amen.

“Then let us arise and go to Bethel. I will build an altar there to God, who answered me in my day of distress. He has been with me wherever I have gone.”

-Genese 35:3
